

# MORSE'S GREAT CLOSING OUT SALE

---

## NOTHING LIKE IT EVER SEEN IN ASTORIA

---

50 salespeople couldn't handle the crowds yesterday. The sales force will be strengthened by a score more tomorrow. Come again today, we promise you still greater values and much better service. The stock is melting like snow before a Chinook breeze, and, as before stated, a very limited time is left for us to wind up Astoria's most reliable business.

If you have a single want: If you anticipate purchasing a

Suit of Clothes, Pair of Shoes, Dress Goods or Silks.

In fact, anything for man, woman or child, we caution you to act quick, for tomorrow may be too late, for this entire stock is being closed and closed quickly. DON'T WAIT.
